## Competition, Oman

Highlights of our experience:

- One of the largest global logistic companies in the world on the applicability of Protection of Competition and Anti-Monopoly Law that was issued on 30 November 2014 and which was promulgated by Royal Decree No. 67 of 2014 in the Sultanate of Oman.
- Numerous international companies on the applicability of anti-trust and anti-competitive practices in the Sultanate of Oman and the various qualifications and thresholds for declarations to the competent authorities.
