## Invitation to the CMS Dispute Resolution Client Seminar

### Efficient Dispute Resolution

Dear Sir, Dear Madam

Commercial disputes are often complex and require decisions to be taken which align multiple objectives. With appropriate organization and a structured approach, costs may be reduced and the position of the company improved.

Experienced practitioners from CMS will consider typical issues often faced by companies when handling disputes and will propose ways in which a company may reduce associated costs, manage risks and improve its position. The speakers will also consider precautionary measures, arbitration (including investment treaty arbitration) and third party funding.

Guest speakers at the conference will be:

- **Carlos Gutiérrez García**, General Counsel of GAMESA
- **Nick Rowles-Davies**, Burford Capital Limited

Please confirm your attendance by **20 October 2015**.

Participation is free of charge.

If you would like to meet with any of the speakers before or after the conference for discussion of specific topics relating to their jurisdiction, please contact [celine.mairiaux@cms-asl.com](mailto:celine.mairiaux@cms-asl.com)

We would be delighted to welcome you at the conference.

Best regards,

Your CMS Dispute Resolution team
