## **CMS Guide to Merger Control in Europe 2014: for the first time available as an e-Guide**

**CMS, one of the top 10 international law firms, has published the fifth edition of the *CMS Guide to Merger Control in Europe 2014*. The guide offers a comprehensive overview of all 44 European merger control regimes (including the European Merger Control Regulation and the European Economic Area Agreement). For the first time, the publication is also available as an e-Guide.**

The CMS Guide to Merger Control in Europe 2014 is the only publication of its kind that gives an overview of all 44 European merger control regimes and brings together the expertise of more than 140 law experts of the CMS Competition Practice Group from 26 European countries.

For the first time, the publication is also available as a practical e-Guide, which can be browsed, tagged, commented on and shared with others online. The e-Guide is available online at <http://eguides.cmslegal.com/mergercontrol>.

Bernt Elsner, partner and head of the department for Procurement, EU Competition Law and Public Commercial Law at CMS Vienna says, “The CMS Guide to Merger Control in Europe 2014 is a practical tool, tailored to the requirements of in-house counsel supervising cross-border mergers.”
