## Infrastructure Funds, UK

Highlights of our experience:

### John Laing plc

- The GBP 886.9m takeover by Henderson Infrastructure Holdco Limited.
- The Lenders to 3i BIFM or the financing of portfolios of projects in the bank and fixed rate note markets.

### Equitix Investment Management Limited

- The establishment of Energy Savings Investments LP and Equitix Energy Efficiency Fund LP, to invest in Non Domestic Energy Efficiency projects, and on the establishment of a GBP 100m managed account fund.
- An Investor in the Macquarie Infrastructure Debt Fund.

### Lloyds Development Capital

- The establishment of Epi-V Funds 1 and 2 for investment in the oil and gas services sector.
- SSE as a cornerstone investor in the Environmental Capital Fund established by Scottish Equity Partners. The GBP 135m fund acquired a seed portfolio of assets from SSE.

### Ampere Equity Funds

- The establishment of a EUR 320m fund designed to invest in sustainable energy projects throughout Western Europe.

### Barclays Infrastructure Investment Fund

- The GBP 800m acquisition of Infrastructure Investors.
