

# Public Procurement, Hungary

Highlights of our experience:

## **Funkwerk AG**

- Successful representation of the client before the Public Procurement Dispute Board, as a result of which the client was able to tender in a high value public procurement, after its application was deemed unlawfully invalid.

## **Roche**

- Longstanding cooperation with the Diagnostics division, daily assistance in various tender procedures related to medical devices, providing complex legal services including public procurement, competition, regulatory and data privacy issues.

## **Telenor Satellite Broadcasting**

- On a EUR 10 million public procurement dispute and procedure before the PPDB and the related international arbitration proceedings.

## **Erste Bank Hungary**

- On the complex review of certain PPP projects including numerous public procurement agreements, analysing various public procurement issues arisen on the bidder side.

## **Scheidt & Bachmann**

- On a complex amendment of a contract concluded as a result of a public procurement procedure launched by MÁV (Hungarian Railway). Successful representation of the client in negotiations with the Hungarian Railway, reaching agreement with the contracting authority.
