

Competition, Czech Republic

Highlights of our experience:

Papyrus

- On Czech merger clearance in relation to the acquisition of Ospap.

A Global Telecommunications Group

- On two competition disputes with the Czech incumbent: (i) a margin squeeze in respect to providing of and access to broadband xDSL internet and (ii) a competition dispute arising out of network sharing issues.

LAMA Group, a Czech privately owned investment group

- On the merger filing related to the acquisition of DIGI Czech Republic s.r.o. (DIGI CZ) from RCS & RDS S.A.

Jablonecká energetická

- On state aid aspects of business plans and market investor principle.

A global cement producer

- In relation to internal competition compliance programme including interviews with sales representatives.

A global beverage manufacturer

- With competition and compliance trainings for its sales representatives in the Czech Republic.

A dominant beverage producer

- In respect of vertical and horizontal agreements and a claim for damages for abuse of dominance.
