New CMS Office in Montenegro

CMS Reich-Rohrwig Hainz has opened a new office in Podgorica (Montenegro), further expanding its leading market presence in CEE, where the law firm already operates seven locations.

"We have been offering legal advice in Montenegro through a Desk for years. Because demand has been growing constantly, opening an office was the next logical step", says Peter Huber, managing partner at CMS Reich-Rohrwig Hainz, who is pleased about the expansion of the law firm.

Radivoje Petričić, partner and head of the Serbian office, was appointed managing partner for the new location in Podgorica. At Podgorica, a team of four experts led by local partner Milica Popović offers advice focusing on M&A, real estate and project finance.

"From our Serbian office, we have successfully accompanied many clients to Montenegro. By establishing an office in the country, we act on our promise to provide local know-how and consulting services on a high international level to clients on site", Radivoje Petričić explains.
