Directions

Warsaw office

From the airport

Okęcie airport

Okęcie is the main airport, located within the area of Warsaw. The fastest way to reach Okęcie airport from the city is to use a taxi. To get to the office from the airport, you can have one arranged for you in front of the building. These are authorised and safe taxis.

Modlin airport

Modlin airport is located 35 km North-West from Warsaw center. It is mainly used for low-cost airlines and charters. The best way to get to Modlin airport is by taxi.

By taxi

We are a few minutes' drive from the Presei Libere square and the beginning of the DN1 highway.

Underground parking is available – please contact Reception (+40 21 407 3800) to arrange.

By underground

Click [here](#) to view the Warsaw Underground map.

The nearest station to the WFC building is Rondo One. When exiting the tube station, turn left towards Emilii Plater street, past the Rondo One building. The next building is WFC.
