By car

The airport is located around 20 km from our office. Going from the airport take the road R266, then turn right onto the M1 E70 motorway. Continue on the M1/E75. After crossing the Gazela Bridge, exit the motorway and continue on Vojvode Mišića Boulevard. Take route 26/E763/A1, Sarajevska, Birčaninova and Nemanjina to Kneginje Zorke. The office is at the corner of Kneginje Zorke and Krunska streets. That is one of many possible routes. A good car satnav system is very helpful.
