Legal precision in data protection

Legal precision in data protection

CMS is highly experienced in undertaking data protection projects for large scale multinationals and advising on cross-border data transfers. CMS' extensive geographical scope, coupled with a consistently pragmatic and commercial approach, means that we are uniquely placed to meet your business needs.

We can help you with

Helping you comply with the GDPR

As from May 2018 your organization will have to comply with new and stringent data privacy rules. The new rules are set out in the General Data Protection Regulation (GDPR). What can you do to prepare?

Ranked **Tier 1** for EU Regulatory –
Privacy and Data Protection (2018)

A reference on the market for
data protection

Client, Chambers Europe, 2018

The firm has been excellent at
hand-holding and explaining in
layman's terms this particularly
complex area
