

Judgment

MIDDEN-NEDERLAND DISTRICT COURT

Civil law division

Utrecht location

case number: C/16/19/147 F

Judgment on the basis of Article 4 of the Bankruptcy Act (declaration of bankruptcy on company's own petition) dated 19 March 2019

in the matter of:

**the private limited company
COOL CAT NEDERLAND B.V.,**
with its official seat in Houten,
applicant,
counsel: L. Martens. 2631+450+400

1. The proceedings

1.1. By application submitted to the district court on 15 March 2019, the applicant has filed a petition for bankruptcy.

1.2. The Applicant appeared and was heard today at a hearing behind closed doors of this district court.

2. The assessment

2.1. Since it has neither been argued nor proven that the centre of the applicant's main interests lies in a Member State other than that in which it has its official seat, the district court assumes, on the basis of the provisions of Article 3 of the EU Insolvency Regulation, that the Dutch court has jurisdiction.

2.2. The Applicant has provided a statement of its assets and liabilities.

2.3. A prima facie review has revealed the existence of facts or circumstances which show that the Applicant is in a situation in which it has ceased to make payments.

2.4. The application will be awarded with due regard to the provisions in the Articles 1, 2, 4, 6 and 14 of the Bankruptcy Act.

3. The decision

The district court:

3.1. hereby declares
