CMS Hasche Sigle advises ViewPoint Capital Partners on investment in acrolinx GmbH

Munich – Funds advised by ViewPoint Capital Partners Group have taken an equity interest in acrolinx GmbH as part of an expansion financing round. As the world's leading provider of authoring support tools, acrolinx will use the new funding primarily to grow its business operations in North America and Asia.

A team from CMS Hasche Sigle led by Dr Ulrich Springer advised ViewPoint Capital Partners on all aspects of the transaction.

Headquartered in Frankfurt am Main and Zurich, ViewPoint Capital Partners is a European private equity firm focused on software and IT companies with annual revenues ranging from EUR 3 million to over EUR 30 million. With funds of more than EUR 200 million under management, ViewPoint provides capital for growth and international expansion, shareholder liquidity, buy outs and acquisitions. Investors in the funds advised by ViewPoint include European banking corporations, international funds of funds, asset managers, pension funds, insurance companies and selected private individuals.

acrolinx GmbH was established in 2002 as a spin-off from the German Research Center for Artificial Intelligence (DFKI). The success of the Berlin-based company is principally due to its acrolinx IQ™ software, the world's leading product for quality assurance of technical
