CMS Albiñana & Suárez de Lezo has incorporated José Antonio Rodríguez Alvarez to its Procedural Law Department

**Madrid, 14 September 2009.**

José Antonio Rodríguez Alvarez joins CMS-Albiñana & Suarez de Lezo from another prestigious international law firm – Baker & McKenzie – in which he has recently carried out his professional duties as partner and expert in Civil Procedural Law and International Arbitration, areas in which he has extensive experience and recognition.

Jose Antonio graduated in Law and Business Administration from the University of Comillas and subsequently was appointed as a Spanish State Attorney, remaining with the Administration for a period of 10 years. He has been Secretary-General and Director of Legal Counsel to Vallehermoso, S.A. and subsequently Director of Legal Counsel to Sogecable, S.A.

The incorporation of Jose Antonio to CMS Albiñana & Suarez of Lezo, which is expected to occur at the end of September, is part of our Firm's strategy to attract suitably highly qualified professionals in order to offer the most comprehensive high quality service to our clients, and also provides valuable reinforcement to our Procedural Law Department, which is currently experiencing a significant increase in business.
