The request is to be made to the Information Officer addressed to the contact details set out above (section 53(1) of PAIA).

5.3 The requester must provide sufficient detail on the form to enable the Information Officer to identify the record and the requester. The requester should also indicate which form of access is required and specify a postal address, fax number in the Republic or email address. The requester should also indicate if, in addition to a written reply, any other manner is to be used to inform the requester and state the necessary particulars to be so informed (section 53(2)(a) and (b) and (c) and (e) of PAIA).

Section 71 of PAIA makes provision for a request for information or records about a third party. In considering such a request, CMS South Africa will adhere to the provisions of sections 71 to 74 of PAIA. The requestor is to note the provisions of Chapter 5 of Part 3 of PAIA in terms of which CMS South Africa is obliged, in certain circumstances, to advise third parties of requests lodged in respect of information applicable to or concerning such third parties. In addition, the provisions of Chapter 2 of Part 4 of PAIA entitle third parties to dispute the decisions of CMS South Africa by referring the matter to the High Court.

5.7.5 the parties agree in any other manner to such an extension.

Should CMS South Africa require an extension of time, the requester shall be informed in the manner stipulated in the prescribed form of the reasons for the extension.

5.8 If the Information Officer fails to respond (or extend the period within which the respond) within thirty days after a request has been received, it will, in terms of PAIA, be deemed to have refused the request (section 58 read together with section 56(1) of PAIA).

5.9 Where access is granted:

5.9.1 the Information Officer will advise the requester of:

8.1.1 Chapter 3 of POPI provides for the minimum conditions for lawful "processing" of "personal information" by a "responsible party" (as such terms are defined under POPI). These conditions may not be derogated from unless specific exclusions apply as outlined in POPI.

8.1.2 CMS South Africa requires personal information relating to both natural and legal persons in order to carry out its business and organizational functions. The manner in which this information is processed and the purpose for which it is processed is determined by CMS South Africa. Accordingly, CMS South Africa is a responsible party for the purposes of POPI and will ensure that the personal information of a "data subject" (as defined in POPI), amongst other things as prescribed by POPI:

(c) will not be processed for a secondary purpose unless that processing is compatible with the original purpose;

(d) is adequate, relevant and not excessive for the purposes for which it was collected;

(iv) object to CMS South Africa’s use of their personal information and request the deletion of such personal information (deletion would be subject to CMS South Africa’s record keeping requirements);

(v) object to the processing of personal information for purposes of direct marketing by means of unsolicited electronic communications; and

(j) data subjects' consent to the transfer of their personal information; or

(k) transfer is necessary for the performance of a contractual obligation between the data subject and the responsible party; or
