Project description

International scientific seminars «Comparative Law: Current State and Prospects for Development» are held annually and attract attention of scientists, lecturers, practitioners and post-graduates. The participants of the Seminar were scientists from Ukraine, Russian Federation, USA, Turkey, Georgia, Belarus and Uzbekistan. On results of the seminars were published collections of scientific articles. The seminars work was highlighted by Ukrainian and foreign law periodicals.

The Comparative Law Days continue the tradition of holding international scientific seminars «Comparative Law: Current State and Prospects for Development» in 2006-2008, but have broadened conception. **The Comparative Law Days** is the complex scientific and educational action, which aim is to raise the level of participants skills, exchange of views on the most important problems of contemporary comparative law, familiarization with new scientific researches and publications.

In the context of the Comparative Law Days will be organized:

April 8-9: Fourth international scientific seminar «Comparative Law: Current State and Prospects for Development»

Round tables:

1. The experience of post soviet legal systems transformation
2. Theoretical and methodological problems of comparative law
3. Comparative law in the system of law education

April 9-10: Open lectures (master-classes) by known scholars within the scope of the Ukrainian School of Comparative Law project

April 10-11: Scientific conference “Comparative Law Discussions”

Sections:

1. Supranational tendencies in the development of law branches and institutes (subsections: constitutional and municipal law, administrative and financial law, civil law, criminal law).
2. Comparative investigation in international and European law
3. Theory of law and comparative law
4. Comparative studies of legal history
5. Ethics of lawyer: foreign experience for Ukraine

April 8-11: Presentations of projects of Ukrainian, foreign and international organizations

April 8-11: Presentations of books and journals on comparative law, legal theory, international and European law.

The **exhibition of legal editions** of Ukrainian publishing houses will be organized and the authors will have possibility to present or sell their editions.

Organizers will provide a **cultural program**.

Working languages of the seminar – Ukrainian, Russian and English.

The participants of the Comparative Law Days will get **certificates**. The texts of open lectures, reports and discussion speeches will be published.

All materials of the Comparative Law Days will be published in Internet on the site www.comparativelaw.org.ua.

Participation:

The participation in the international scientific seminar is free of charge. Possible forms of participation are report (to be agreed with Organizational Committee) or speech. The text of report – up to 10 pages (20000 symbols) or speech – up to 5 pages (10000 symbols). The participants of the seminar may visit open lectures free of charge. Participation of students is not provided.

The participation in the scientific conference can be with real attendance or distant. It provides the possibility to take part in plenary and sectional sessions, visit open lectures and publication of thesis of speech. The participation in the conference is free for specially invited.
