CMS, China hires new TMT Senior Associate

CMS, China is pleased to welcome Samuel Yang as a new Senior Associate to its TMT team. Samuel is an experienced lawyer in the telecommunications and broader IT industry and advised on regulatory matters and a wide range of corporate and commercial transactions. He has worked in private practice and in-house roles for more than seven years and in his most recent one he was the North East Asia Commercial Counsel of British Telecom, with a special focus on China. Samuel will be based in the CMS Beijing Office.

Samuel comments: "I am looking forward to working at CMS. Their dedication to clients' needs and the focus on their business sectors makes their support so much more relevant. They really speak the clients' language in more than one way".

The head of the CMS, China TMT team, Colin Liu, says that "Sam is a great addition to our team and his experience as an in-house counsel will be valuable for this CMS, China sector group".
