Private Equity, Brazil

Highlights of our experience:

A London private equity fund

- On the establishment, and debt and equity financing, of a sustainable forestry business in Peru and their proposed expansion to Brazil.

A Dutch private equity fund

- On the acquisition of a multinational group of oilfield services companies, with its main operations in Brazil, including coordinating all Brazilian legal due diligence and providing post acquisition compliance training.

Chinese Development Bank

- In connection with the financing of an acquisition by a BVI company of a Delaware company owning Brazilian farm assets.

A Brazilian fund management firm

- On the terms of their participation as members in a UK limited liability partnership, including drafting of the LLP agreement to protect their interests and advising on capital contributions.

British entrepreneurs

- On their capital raising for the development of a hotel complex in Rio de Janeiro.
