

Technology, Media & Communications, Brazil

Highlights of our experience:

Intelig Telecomunicações

- On the restructuring of international debts and its US\$500m merger with TIM Participações.

Docas Investimentos

- On various corporate matters relating to its indirect holdings in a Brazilian telecommunications company.

A European software company

- On the acquisition of a business from its Brazilian distributor.

CTS Eventim

- On the establishment of a joint venture for Brazilian events ticketing with Sony.

BG International

- On Brazilian call off agreements under an international framework agreement for application services with Accenture.

A global software vendor

- On a global project to obtain regulatory advice regarding the classification of software in light of its intended purpose, current and planned future functionality, interaction with medical devices and overall use in clinical environments, including the remote monitoring of patients.
