eLearning on-demand

Our ready-to-use online courses cover the most commonly regulated areas of risk and compliance. Aimed at all staff, these courses present a quick and cost-effective way to deliver knowledge and evidence your compliance to the regulators.

Topics include:

Sexual Harassment in the Workplace

Modern Slavery and Human Trafficking

Diversity and Inclusion

Whistleblowing

Anti-Bribery and Corruption

Competition Law

The UK General Data Protection Regulation (UK GDPR)

Cyber Security

AI Ethics

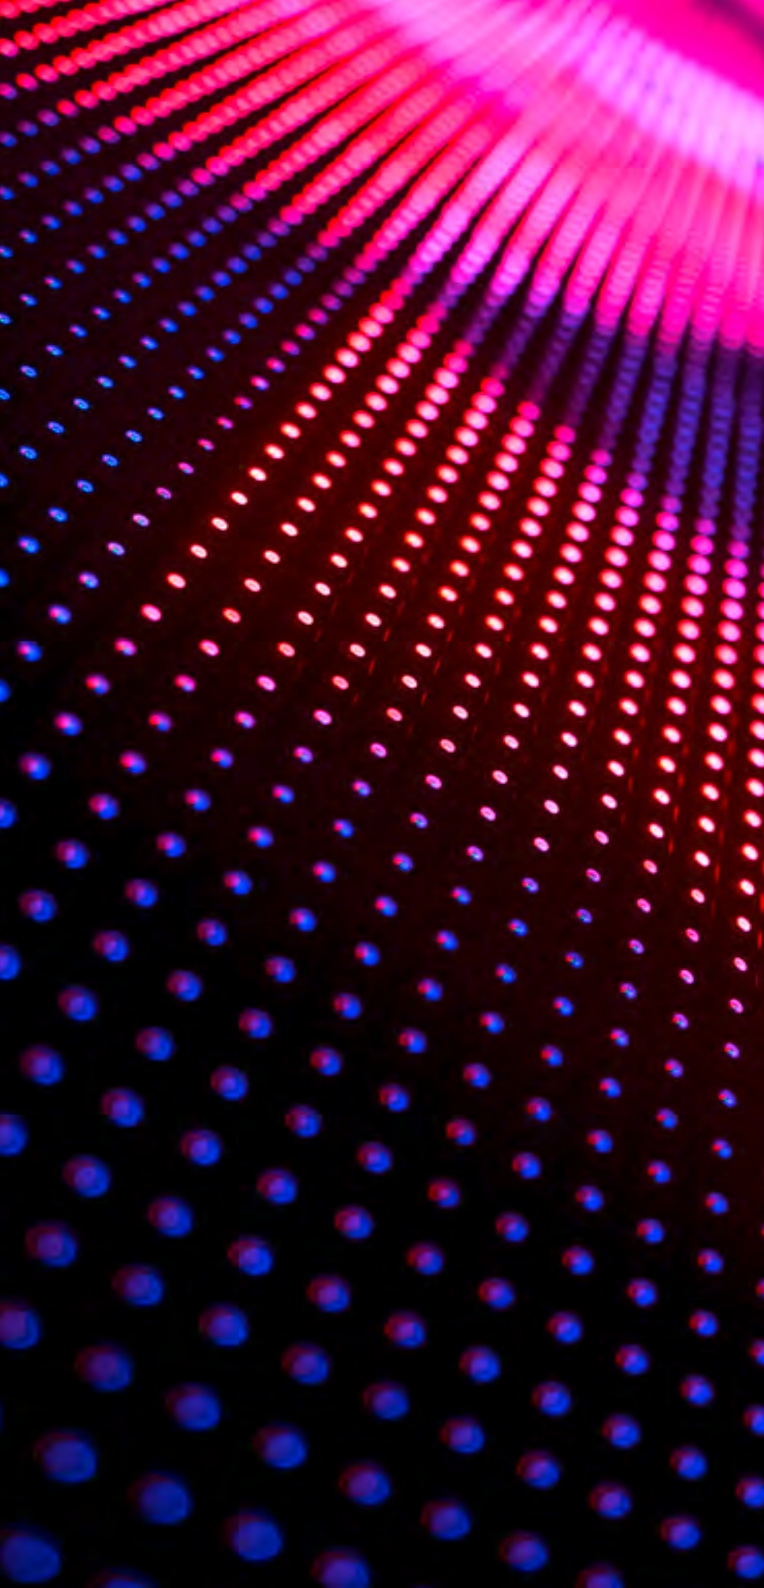

Trade Secrets

Market Abuse Regulation (MAR)

Failure to Prevent the Facilitation of Tax Evasion

Customised and Bespoke eLearning

We recognise that the needs of your business are unique and this is why all our eLearning courses are fully customisable to meet those needs. There is great flexibility in the level of customisation you can apply to a course and many of our clients have chosen to:

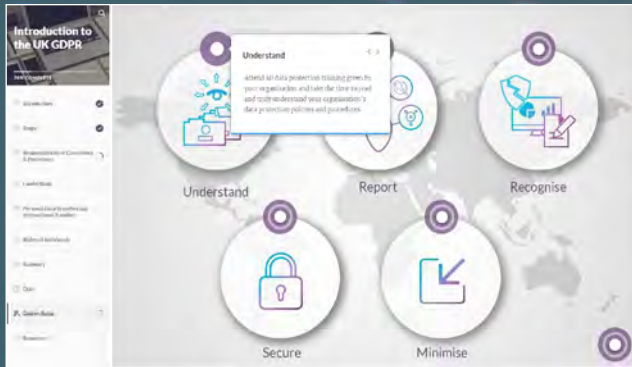

- **Add their corporate logo and custom branding**
- **Include industry and / or sector specific scenarios and case studies**
- **Customise quiz questions to challenge real-world situations**
- **Insert a personalised welcome introduction from a senior stakeholder**
- **Reference or directly link to company policy or procedure documents**
- **Translate and localise the content for staff working within global jurisdictions**

However, if you don't find what you're looking for within our on-demand library, do not worry.

Our team of specialist lawyers and skilled Instructional Designers and Developers work collaboratively with you to understand your vision, identify your learning objectives, select the right tools and techniques and create exceptional content that is highly engaging; all within a time frame and budget that works for you.

Micro-Learning

Our micro-learning approaches include high quality explainer videos, motion graphics and animations to help simplify complex topics, play through a scenario or provide a quick refresher.

Wrapped within a fully mobile responsive player, which is accessible anytime, anywhere and on any device this approach can form an intrinsic part of any blended solution.

Learning Management System (LMS)

If you do not have an internal LMS to host and manage your training, then look no further. Our cloud-based LMS solution supports a quick and easy set up so your training can be delivered to your employees right away. Brought to you by our trusted Partner, LearnUpon, you can benefit from: full user and group management, custom branding, mobile compatibility, progress tracking, completion reports and course completion certificates.

We publish all our courses to SCORM 1.2 / 2004 / xAPI standards so they can be easily added and managed out of your LMS for a fully integrated learning experience.

Translation and Localisation

Reach your learners wherever they are in the world by localising the content to match the jurisdiction in which they operate. We can also further translate the content into the regional language / dialect of your choice.
