

Market Abuse Regulation eLearning

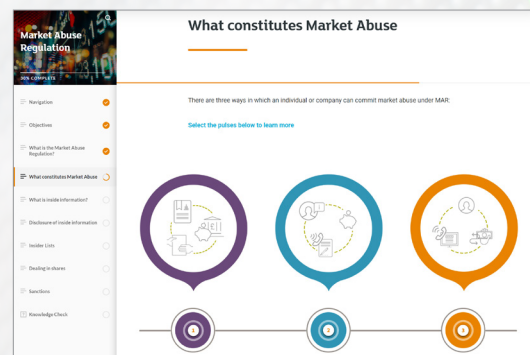

Raise awareness across your employees on what constitutes Market Abuse and protect the integrity of your organisation.

Course overview

The UK Market Abuse Regulation applies to all UK companies listed on the Main Market and AIM. This course is designed to enhance your understanding of what the Market Abuse Regulation is and why it should be relevant to you and your business.

Audience

All staff working within an organisation or on behalf of an organisation at any level.

Objectives

By the end of this course, learners will have a better understanding of:

- What is Market Abuse Regulation and why it's relevant to you
- How you or your company can commit Market Abuse under the Regulation
- What is inside information, insider lists and project lists
- What is meant by 'dealing'
- Possible sanctions if you commit market abuse

Features:

- Customisable content to suit your brand
- Include your existing policies or procedures
- Engaging videos
- Fully responsive design
- End of course multiple choice quiz
- Translatable to suit your audience.

Language: English
