

# Competition Law eLearning

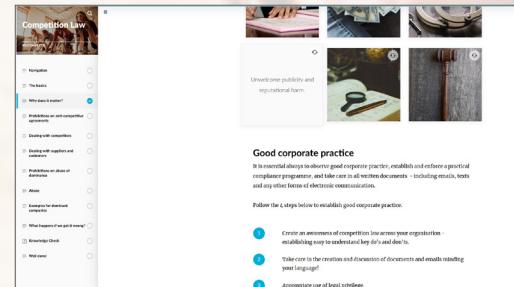

**Protect your staff and your business from anti-competitive conduct**

## Course overview

This eLearning course is designed to raise your general awareness of the competition law rules, as well as reduce the risk of any possible infringements arising within your business. It covers the fundamental concepts and provides practical examples on managing compliance. The course can be tailored to your business as part of a competition law compliance programme, alongside other training and legal support to the business.

## Audience

The course is relevant to all businesses and is intended to address compliance risks when operating across multiple jurisdictions.

## Objectives

This course will help your business to:

- Demonstrate commitment to complying with competition law
- Explain how competition law is applicable to your workforce's activities
- Ensure personnel are aware of the potential penalties for breach of competition law
- Enable employees to recognise and prevent anti-competitive practices
- Minimise the risk for your organisation of non-compliance.

## Features

- Customisable content to suit your brand
- Include your existing policies and procedures
- Interactive scenarios
- Fully mobile responsive design
- End of course multiple-choice quiz
- Translatable to suit your audience
