

Modern slavery and human trafficking

Course overview

Module 1 – for all staff

This course has been designed to provide you with an introduction to modern slavery and human trafficking and the legal requirements on organisations when working with supply chains. Through the use of interactive examples, you will learn about the many associated risks and how you can support your organisation to mitigate such risks.

Learning objectives

Module 1 – for all staff

By the end of this course, you will know:

- What is meant by modern slavery and human trafficking.
- How to spot the signs and correctly report cases of modern slavery and human trafficking.
- The aims & requirements of the transparency obligations in the Modern Slavery Act 2015.
- The practical steps your organisation is taking to prevent modern slavery and human trafficking in its business and supply chain.
- Key business risks and consequences of non-compliance with modern slavery regulations.

Module 2 – for management

This course is specifically designed for those within your organisation who may be accountable for issues relating to modern slavery and human trafficking. Its purpose is to enable you to better understand your role and to ensure you are aware of the legal requirements that apply when publishing a modern slavery statement.

Module 2 – for management

By the end of this course, you will:

- Understand the legal requirements relating to publishing a modern slavery statement.
- Be aware of the implications if your organisation gets it wrong.
- Understand your role in taking ownership and being accountable for your organisation's compliance.
- Understand how requirements relating to modern slavery statements fit into the wider ESG initiatives.

Features:

- Written by experienced CMS lawyers
- Customisable content to suit your organisation
- Interactive scenarios and examples
- Fully mobile responsive
- End of course knowledge check
- Translatable to suit your audience (if required)

 **Duration:** 30 minutes
