

# Technology, Media & Communications, Poland

Highlights of our experience:

## **ING**

- In relation to a wide range of TMT issues in connection with the creation of an e-commerce B2B platform for ING Group. Advising on e-invoicing, e-tendering, intellectual property and data protection issues.

## **Huawei**

- On a regional project concerning verification of the legal environment for its operations involving introduction of IT equipment to the selected markets, using telecommunications infrastructure and processing different types of data.

## **Representing GE before the Polish Data Protection Authority (GIODO)**

- In relation to the authority's approval of the Binding Corporate Rules implemented by GE on a global level.
