

Consumer Products, UAE

Highlights of our experience:

Kazar Footwear

- On the grant of a franchise licence to Landmark Group for the sale and distribution of its products across the Middle East.

Payless Shoesource

- On its franchise arrangements in the Middle East and Libya.
- A luxury car manufacturer on various distribution arrangements in the UAE.
- An FMCG packaging business on its acquisition of a UAE based consumer products packaging business.

Diageo

- On various regulatory matters in Middle East and North Africa.
- An international food group on its distribution arrangements in the UAE.
- A consortium of private equity investors consisting of Advent International, IFC, FMO, DEG and Turkven PE on their sale of a major independent car rental company in Turkey to Mitsubishi Corporation.
