

Investigations and raids, UK

Highlights of our experience:

A multi-national pharmaceutical client

- A dawn raid as part of the European Commission's pharmaceutical sector inquiry.

A major construction group

- A dawn raid, leniency application and through to decision in an industry-wide construction cartel investigation.

A private hospital operator

- The OFT/CMA's private healthcare market investigation.

A supplier

- A consumer products cartel investigation, capturing and analysing documents, interviewing staff, preparing the response and carrying out a competition audit of the supplier's business.

A FMCG retail chain

- An investigation and in the appeal tribunal.

Various companies in the financial sector

- Subject to market reviews conducted by the Financial Conduct Authority.

Sportsworld International

- Its role as whistleblower in proceedings before the OFT and CAT in relation to the replica football kit cartel and appeal, including CAT intervention and successful CAT costs application.

Various companies multiple sectors

- Competition audits and developing and delivering competition and regulated procurement compliance programmes for various companies in the energy, FMCG, lifesciences and other sectors, including one of the world's largest consumer product companies.
