

LITIGATION & INSURANCE

Our CMS team is accessible, service-oriented and diverse, and we are well known for our experience in complicated litigation and insurance matters. We actively facilitate the national and international cooperation within the industry. We achieve this by using both our broad experience in litigation as well as our specialized knowledge in the areas of Liability and Insurance law, Transport law and Contract law. We assist our clients with a top(-class) sport mentality in order for them to achieve their goals. We strive for a commercial solution, but will litigate if necessary. We are always available to assist you for a multiple purposes.
