

CMS Client Academy

Compliance – Protection of whistle-blowers

Course overview

The eLearning course answers legal and organisational questions regarding the protection of whistle-blowers in the company, provides information about the functions of a whistle-blower system and encourages whistle-blowers to report internally instead of contacting the responsible external reporting office.

Target group

The eLearning course is aimed at all employees in your company.

Course contents

- What is the purpose of a whistle-blower system?
- What can be reported?
- Under what conditions can reports be made?
- Where and how can a report be made?
- How is a report handled and what are the possible consequences?
- How are whistle-blowers and person(s) concerned protected?

Information

- Interactive scenarios
- Didactic test questions
- Effective knowledge transfer

 **Duration:** approx. 30 minutes

 **Languages:** German / English

 **Available formats:** SaaS / LMS
