### CHANGE OF ADDRESS

CMS Pasquier Ciulla Marquet & Pastor has announced that as of **28 October 2019**, it will provide its services from a new office location in Monaco.

For many years, the firm was located at the Athos Palace, 2 rue de la Lùjèrneta, in Fontvieille and has been growing steadily and sustainably since its foundation in 2009. It will soon be moving to the "**Villa des Cigognes**", an office space of approximately 1,800 square meters, located **17 rue Louis Aureglia**, in the Condamine area of Monaco. The firm will take up three entire floors in one of Monaco's architectural jewels that replaced the former villa after which the new building was named. The premises have been designed and equipped to offer optimal service conditions to both clients and team members.

Olivier Marquet, *Avocat-Défenseur* and Managing Partner of CMS Pasquier Ciulla Marquet & Pastor comments : "The team's move to the 'Cigognes' is an important step in the firm's development and falls in line with its continuous growth, marked by an ever increasing number of partners and associates. With this new office, the firm intends to maintain its strong growth dynamic and continue working toward Monaco's influence and attractiveness as an international legal hub."
