The purpose of this guide is to provide a broad overview of the key elements of passporting regulations applicable to EEA UCITS Scheme in the countries covered in this guide. The guide makes no claims as to completeness and does not constitute legal advice.

Entities marketing a passported EEA UCITS Scheme may additionally need to comply with licence requirements in the relevant jurisdictions and these requirements are not covered in the guide. The information contained herein is no substitute for specific legal advice. If you have any queries regarding the issues raised or other legal topics, please get in touch with your usual contact or persons mentioned in this guide.

Introduction

The UCITS Directive was established to harmonise retail collective investment schemes in the EU through the introduction of a common investment vehicle known as a “**UCITS**”. One of the key benefits of the UCITS Directive is that UCITS can be established and regulated in one EU member state and offered in others without the need for further authorisation by virtue of passporting rights under the UCITS Directive.

The purpose of this guide is to assist UCITS managers to understand the process and regulatory costs involved in exercising such passporting rights throughout Europe.

We are grateful to the numerous contributors to this guide. If you would like more information about passporting within the UCITS framework, you are welcome to get in touch with us or – with regard to particular jurisdictions – the contacts of the relevant contributor firms (detailed on pages 42 to 44).

Austria

1. EEA UCITS Scheme

In Austria, the Investment Fund Act 2011 (Investmentfondsgesetz 2011 – “**InvFG 2011**”) regulates the establishment, management and marketing of UCITS. Generally, the management and marketing of a UCITS in Austria requires the approval of the Austrian Financial Markets Authority (Österreichische Finanzmarktaufsicht – “**FMA**”).

EEA Management Companies authorised in their home member states are entitled to manage and market EEA UCITS Schemes in Austria’ either through establishing a branch or on the freedom to provide services basis (Management Pass). EEA UCITS Schemes may be marketed in Austria in accordance with the notification procedure set forth in Sec 140 InvFG 2011 (Marketing Pass). In cases of EEA UCITS Schemes marketed directly by their respective EEA Management Company in Austria, a Marketing Pass would be sufficient, whereas in cases of EEA UCITS Schemes distributed by any third party, the license / passporting requirements applicable to the relevant distributor are relevant.

Notification of marketing

For the notification procedure, the information pursuant to Annex I of Commission Regulation (EU) 584 / 2010 needs to be sent fully completed in German or in English to the HMSA of the EEA UCITS Schemes. The units of an EEA UCITS Scheme may be marketed in Austria as soon as the FMA has received the complete documents and information referred to in Sec 139 para 1 InvFG 2011 (see information below) as well as the UCITS-attestation from the HMSA of the EEA UCITS Scheme referred to in Sec 139 para 2 pursuant to Annex 2 of Commission Regulation (EU) 584 / 2010.

List of all necessary documents under Sec 139 para 1 InvFG 2011:

- Fund terms or statute – if not included in the prospectus
 - Prospectus
 - KIID in German
 - Annual and biannual report (if applicable)
 - Confirmation of the paying agent pursuant to Sec 141 InvFG 2011
 - Payment confirmation for the fees according to Sec 140 InvFG 2011
- The KIID must be translated into German. All other documents and information are accepted in German or in English. An EEA UCITS Scheme shall ensure that the latest version of (a) the fund terms or statute, (b) the prospectus, as well as (c) the latest annual report and the subsequent biannual report, and (d) the KIID are always available on a website accessible to the FMA by electronic means and the FMA shall be informed of any changes to these documents and their electronic availability.
- During the notification procedure, an EEA Management Company has to nominate an Austrian paying and information agent and inform the FMA of its nomination. If third parties submit a notification notice, a power of attorney has to be presented to the FMA.

2. Fees

Notification fee: EUR 1,100 per fund for the processing of the submitted documents. The fee increases from the second sub-fund to EUR 220 for each sub-fund. Annual fee: For monitoring compliance with certain obligations an annual fee at the beginning of each calendar year of EUR 600 has to be paid for each fund. The fee increases from the second sub-fund to EUR 200 for each sub-fund. The annual fee has to be paid not later than 15 January each year.

Belgium

1. EEA UCITS Scheme

EEA Management Companies may exercise passporting rights for the marketing of an EEA UCITS Scheme in Belgium. In order to do so, the requirements of the Belgian law of 3rd August 2012 on UCITS (the “**Belgian Law**”) must be met.

Passporting of the EEA UCITS Scheme

In case of public offering of the EEA UCITS Scheme in Belgium, the EEA UCITS Scheme itself needs to be passported and registered with the Belgian regulator, the Belgian Financial Services and Markets Authority (the “**Belgian FSMA**”). The EEA UCITS Scheme or its EEA Management Company is required to notify their HMSA if they intend on marketing an EEA UCITS Scheme in Belgium. The HMSA will provide their consent notice to the Belgian FSMA. The notification provided to the Belgian FSMA must be accompanied by the EEA UCITS Scheme’s rules or instrument of incorporation, the prospectus, KIID and any annual reports or biannual accounts where applicable.

Following the transmission of this notification from the HMSA to the Belgian FSMA, the EEA Management Company will be able to market the EEA UCITS Scheme in Belgium. If the EEA Management Company of an EEA UCITS Scheme which is recognised under the Law will only carry on marketing activities related to the authorised EEA UCITS Scheme, without setting-up a branch in Belgium and without proposing other services or carrying out other activities, such EEA Management Company is automatically an authorised person for the purposes of the Belgian Law with permission to market such authorised EEA UCITS Scheme.

An EEA Management Company proposing to market an EEA UCITS Scheme in Belgium is required to appoint a paying agent in Belgium for payment of distributions and sale and purchase of the units and to enable investors to obtain or inspect the documentation relating to the EEA UCITS Scheme. Details of these facilities must be communicated to the investors on a durable medium prior to any subscription.

Financial Promotion

When marketing an EEA UCITS Scheme which is recognised for the purposes of the Belgian Law, the legal rules on financial promotions must be complied with. Belgian advice should be sought in relation to compliance with these rules.

2. Fees

The Belgian FSMA charges an annual fee for an EEA UCITS Scheme which is currently EUR 2,055 and is due for each compartment. The fee is payable on the submission of the notification to the Belgian FSMA. The Belgian FSMA also charges a fee for the EEA Management Companies¹.

¹ Each year, a global contribution budget for the operating expenses of the Belgian FSMA is fixed and each different category of financial institutions has to participate in a fixed proportion to this budget. The category encompassing all the EEA Management Companies has to contribute with a 2.49% proportion of the global contribution budget. The 2.49% contribution is itself divided between the financial institutions of that category on the basis of criteria such as their regulatory capital, revenues and balance sheet.

Bulgaria

1. EEA UCITS Scheme

EEA Management Companies may exercise passporting rights for the marketing of an EEA UCITS Scheme in Bulgaria. In order to do so, EEA Management Companies must comply with the notification procedure envisaged in the Collective Investment Schemes and Other Undertakings for Collective Investments Act (the “**CISA**”).

An EEA Management Company may pursue the activity, for which it has been authorised, in the territory of the Republic of Bulgaria either by the establishment of a Bulgarian branch or under the freedom to provide services.

Notification

In order to exercise passporting rights, an EEA Management Company intending to market an EEA UCITS Scheme in Bulgaria must notify their HMSA which will notify the Bulgarian Financial Supervision Commission (the “**FSC**”) thereof. The notification letter must be in accordance with the model set out in Annex I to Commission Regulation (EU) N°584 / 2010 and accompanied by: (i) an attestation issued by the HMSA certifying compliance of the EEA UCITS Scheme with the requirements set out in the UCITS Directive, (ii) the EEA UCITS Scheme’s rules or instrument of incorporation, prospectus, latest annual report and biannual report (in Bulgarian or English), and (iii) the KIID in Bulgarian. The notification letter and the UCITS attestation must be provided in English unless FSC and the HMSA have agreed that these may be provided in an official language of both Member States.

The EEA Management Company will be able to market the EEA UCITS Scheme in Bulgaria following the transmission of the notification from the HMSA to the FCA.

The notification provided to the FCA is required to state the name of the EEA Management Company who will market the EEA UCITS Scheme in Bulgaria.

The EEA Management Company is not required to seek additional permission; however, if the EEA UCITS Scheme is to be marketed by someone other than the EEA Management Company, that person will require to be authorised for the purposes of CISA.

There is no requirement for an EEA Management Company proposing to market an EEA UCITS Scheme in Bulgaria to appoint an agent or maintain facilities in Bulgaria even though this is very often done in practise.

2. Fees

The FSC does not charge a fee for recognition of an EEA UCITS Scheme. The Bulgarian FSC charges an annual fee of BGN 3,200 (approximately EUR 1,600) per EEA Management Company for monitoring compliance with certain obligations, and BGN 600 (approximately EUR 300) per fund. The fee is payable by 31st January of the relevant year.

The CySEC must also be informed where these documents can be obtained electronically. Where there are changes made to the Notification Information, the EEA UCITS Scheme must give written notice to the CySEC prior to implementation.

Furthermore, an annual contribution must also be made to the CySEC by the EEA UCITS Scheme. This is currently EUR 1,000 in the case of an EEA UCITS Scheme with no investment compartments and EUR 2,000 in the case of an EEA UCITS Scheme with several investment compartments.

Czech Republic

1. EEA UCITS Scheme

EEA Management Companies may exercise passporting rights for the marketing of an EEA UCITS Scheme in the Czech Republic provided that the requirements of Act No. 240 / 2013 Coll., on Management Companies and Investment Funds are met. Notification

An EEA Management Company seeking to passport is required to notify their HMSA which will notify the CNB thereof within 10 working days of the receipt of the complete notification letter. The EEA Management Company must submit the notification letter along with fund rules / instruments of incorporation if they are not part of the prospectus, the latest existing annual or biannual report, the key investor information document (KIIDs) and the information on the point of contact facility. investment firm or a foreign entity providing investment services in the Czech Republic through its branch and shall be responsible for the purchase of the units, making payments to unit holders and providing documentation and information relating to the EEA UCITS Scheme. If any party other than the EEA Management Company markets the EEA UCITS Scheme in the Czech Republic, they would be considered to be providing investment services. In that event, a license to perform relevant investment services in the Czech Republic is required.

2. Fees

There are currently no fees or charges applied by the CNB in respect of the notification procedure and marketing of an EEA UCITS Scheme in the Czech Republic.

Following the transmission of this notification from the HMSA to the Danish FSA, the Danish FSA will issue its confirmation of recognition to the HMSA, from which point the EEA UCITS Scheme will be able to market its units in Denmark.

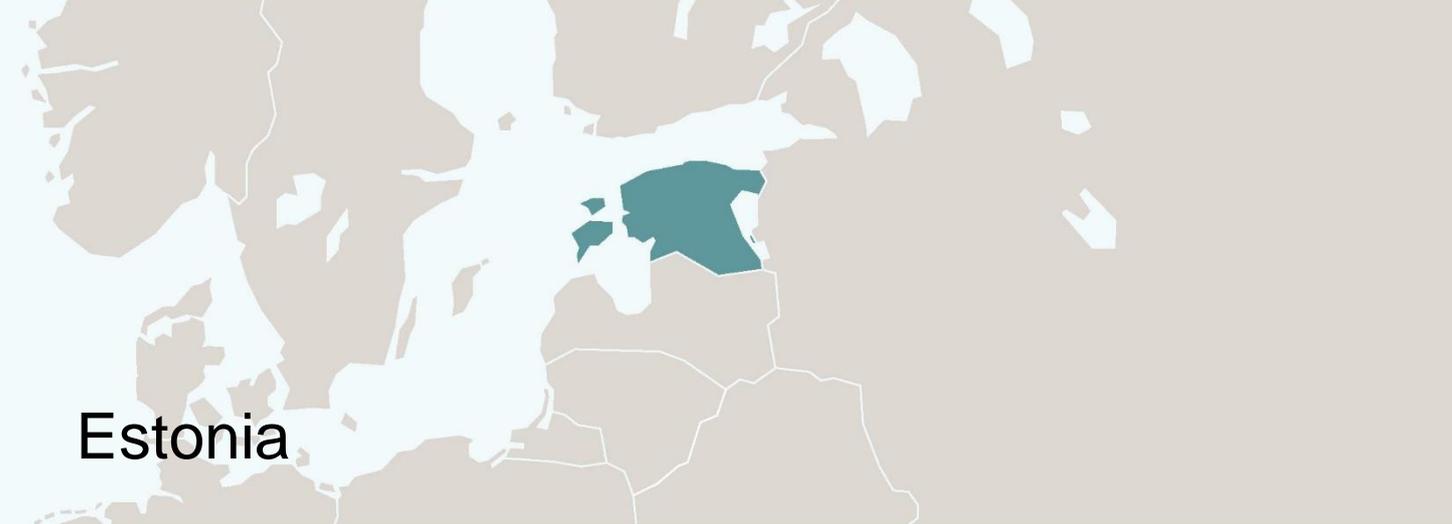

All documents enclosed with the notification may be provided and published in Danish, English, Swedish or Norwegian, except for the KIID which must be translated into Danish. Translations of information or documents shall be produced under the responsibility of the EEA UCITS Scheme and shall accurately reflect the content of the original information.

In addition, an annual fee will be payable to the Danish FSA for each EEA UCITS Scheme being marketed in Denmark. The annual fee is currently DKK 20,212. The fees are subject to annual adjustments.

Estonia

1. EEA UCITS Schemes

EEA Management Companies may exercise passporting rights for the management and marketing of an EEA UCITS Scheme in Estonia provided that the requirements set out in the Estonian Investment Funds Act (“**Estonian IFA**”) are met.

Notification

Marketing of units of an EEA UCITS Scheme in Estonia is possible if the offer complies with the requirements of the Estonian IFA concerning UCITS. This includes satisfaction of the following:

- (i) the ability of fund unit holders to demand redemption and re-purchase of fund units and payment of an amount which corresponds with the fund unit; and
- (ii) disclosure of information concerning the EEA UCITS Scheme pursuant to the procedure and to the extent provided by the Estonian IFA concerning an EEA UCITS Scheme.

If an EEA Management Company proposes to market an EEA UCITS Scheme in Estonia, it shall first submit a notification letter to the HMSA. The notification letter shall include: the plan for marketing the fund units in Estonia, names of classes of fund units to be marketed if the EEA UCITS Scheme has different classes of fund units, and a statement of whether the same EEA Management Company that manages the EEA UCITS Scheme in another Member State markets the fund units of the EEA UCITS Scheme in Estonia.

The EEA Management Company shall additionally provide to its HMSA, the latest version of the EEA UCITS Scheme’s fund rules or its articles of association, its prospectus, KIID and, as applicable, its most recent annual report and any biannual accounts.

The HMSA shall then transmit the complete documentation referred to above to the Estonian Financial Supervision Authority (“**EFSA**”).

An EEA UCITS Scheme may be marketed in Estonia from the day when the HMSA submits a statement to the EFSA of compliance with the Directive 2009 / 65 / EC of the European Parliament and of the Council and notifies the fund manager that the required data and documents have been submitted to the EFSA.

Marketing rules

Information concerning an EEA UCITS Scheme shall be disclosed pursuant to the procedure and to the extent provided for in §§ 73-82 of Estonian IFA and rules on advertising apply.

2. Fees

There are no fees or charges applied by the EFSA as regards the notification procedure and marketing of an EEA UCITS Scheme in Estonia.

Finland

1. EEA UCITS Schemes

The Finnish Act on Common Funds (in Finnish: sijoitusrahastolaki, 213 / 2019, the “**ACF**”) implements the UCITS Directive into Finnish law. Pursuant to the ACF, EEA UCITS Schemes may market their units in Finland in accordance with the notification procedure set forth in the UCITS Directive. Furthermore, EEA Management Companies authorised under the UCITS Directive are entitled to manage and establish investment funds in Finland either through a branch or without establishing a branch.

Notification

The EEA UCITS Scheme must submit a notification letter with the required annexes concerning the commencement of marketing in Finland to the HMSA. The said HMSA inspects the material and submits it to the Finnish Financial Supervisory Authority (the “**FIN-FSA**”). The notification letter must be prepared in accordance with the standard model (using the form of notification letter provided in Commission Regulation 584 / 2010) and the following documents must be included as annexes: the fund rules or instruments of incorporation of the EEA UCITS Scheme, the prospectus, the KIID, the latest annual report of the EEA UCITS Scheme and any biannual reports of the UCITS, as well as an attestation granted by the competent HMSA to the effect that the EEA UCITS Scheme fulfils the conditions imposed by the UCITS Directive.

Furthermore, in accordance with the ACF, the KIID and any amendments thereto shall be submitted in either Finnish or Swedish. Other documents, e.g. the fund rules, the prospectus, the annual reports and biannual reports required to be submitted to the FIN-FSA in connection with the notification letter shall be submitted in either in Finnish, Swedish or English.

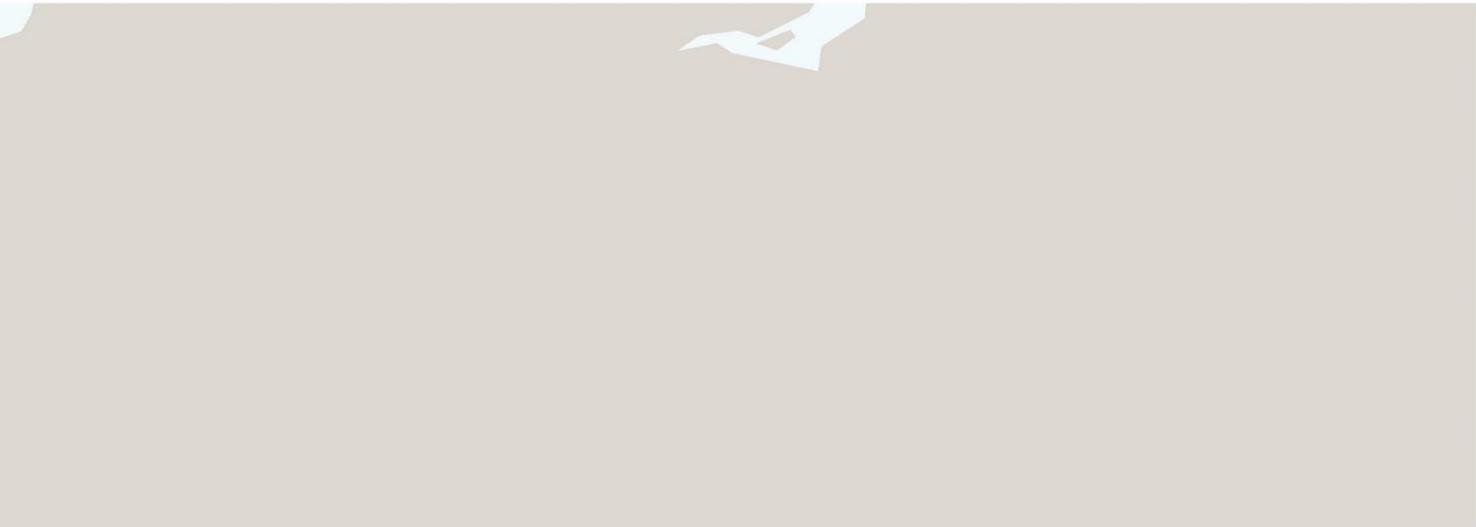

The EEA UCITS Scheme may begin to market its units in Finland as of the date when the HMSA has informed the EEA UCITS Scheme that the documents referred to above have been delivered to the FIN-FSA. Subsequently, the EEA UCITS Scheme must notify the FIN-FSA directly of any amendments to the annexed documents and submit the amended documents to the FIN-FSA electronically. The notification requirements set out in the ACF correspond with those of the UCITS Directive (i.e. Finland has not established any national requirements in addition to those of the UCITS Directive).

As regards Brexit, there is no legislative initiative proposing temporary exemption for the marketing of UK funds categorized as UCITS prior to Brexit into Finland after a no-deal Brexit.

As regards the actual marketing of funds, certain general client conduct rules and proper practice requirements, as well as disclosure requirements, have been set in the Finnish Securities Markets Act (in Finnish: arvopaperimarkkinalaki, 746 / 2012) as well as in the FIN-FSA’s Regulations and guidelines 15 / 2013 regarding marketing of financial services and products (the latter being applicable especially to marketing to retail clients). These requirements should be taken into account when marketing funds in Finland.

2. Fees

The FIN-FSA charges a fee for processing a notification of the intention of an EEA UCITS Scheme to start marketing its fund units in Finland. In accordance with the FIN-FSA’s current (September 2018) schedule of processing fees, the FIN-FSA’s processing fee currently amounts to EUR 1,600. If the same company simultaneously submits notifications on commenced marketing by several EEA UCITS Schemes, a processing fee of EUR 1,600 is charged for the first undertaking and an additional EUR 200 fee for any subsequent undertakings up to EUR 3,200.

The FIN-FSA does not currently charge any additional fee in the event that more funds of the same umbrella-type UCITS are notified after the initial notification of the EEA UCITS Scheme with the FIN-FSA. In addition to the processing fees charged by the FIN-FSA, the KIIDs will need to be translated into Finnish or Swedish, which may add additional costs to the notification procedure. Furthermore, periodic charges are levied on EEA Management Companies with funds under management in Finland.

France

1. EEA UCITS Schemes

EEA Management Companies that are authorised in their home Member State to manage EEA UCITS may exercise passporting rights for the marketing in France of an EEA UCITS Scheme.

In particular, the marketing in France of units or shares of an EEA UCITS Scheme is subject to the compliance with the marketing rules as set out in the French Monetary and Financial Code and the General Regulation of the Autorité des Marchés Financiers (the French Financial Markets Authority (the “AMF”)).

Notification of marketing

In order to obtain a marketing passport for an EEA UCITS Scheme, the EEA Management Company must notify the UCITS’ HMSA in the form of a marketing notification which will be notified to the AMF. The requirements for such notification will be laid down in the relevant national law in accordance with Article 93 of the UCITS Directive.

The notification file for marketing an EEA UCITS Scheme in France includes: (i) the letter of notification containing the information on the terms provided for marketing of the shares or units in the EEA UCITS Scheme in France, including, if applicable, the details for each category of shares or units. (ii) the fund rules or constitutive instruments; (iii) the prospectus and, where they exist, the most recent annual report and any biannual report; (iv) the attestation from the HMSA (v) the KIID, translated into French; (vi) proof of payment of the AMF filing fee.

The AMF acknowledges receipt of the file as soon as it arrives. If the file is incomplete, the AMF may contact the UCITS’ HSMA.

The AMF informs the UCITS’ HSMA within five business days that the complete notification file has been considered.

Marketing in France may commence as soon as the HMSA has informed the EEA Management Company that its notification has been transmitted to the AMF.

Requirements for marketing

The EEA Management Company must appoint a centralising correspondent within France, along with any financial correspondents that they might have, when they file their marketing notification. The EEA UCITS Scheme must notify the AMF of their centralising correspondent.

The correspondent(s) of the EEA UCITS Scheme in France are contractually bound to provide the following financial services: (i) processing subscription and redemption requests; (ii) making coupon and dividend payments; (iii) supplying information documents to investors; (iv) providing shareholders / unitholders with specific information. The centralising correspondent is also responsible for paying the annual set fee.

The KIID must be provided in French and made available in French during the subscription period. Other information documents available to the public, such as the prospectus, the constitutive documents and the annual report, may be drafted in a language customarily used in the sphere of finance. In such case, the General Regulation of the AMF indicates that the marketing should be particularly oriented to professional investors.

Updating documents

The EEA Management Company must email the AMF in a commonly used electronic format the annual report, the biannual report, any amendments affecting the EEA UCITS Scheme (change of name, creation of a new class of units or shares, creation of a new sub-fund, merger, demerger, liquidation, winding up, transfer) along with amendments to its KIID, prospectus, and post-filing changes to the EEA UCITS Scheme that will affect its marketing in France.

Specific requirements on marketing materials

Marketing materials for potential investors are subject to formal requirements. Pursuant to the General Regulation of the AMF, marketing materials shall be clearly identified as such. They shall be accurate, clear and not misleading and must mention the existence of the prospectus and the availability of the KIID.

Where applicable, distributors must submit promotional documents designed for investors to the EEA Management Company.

2. Fees

For processing the notification, AMF charges a fee of EUR 2,000 per EEA UCITS Scheme or per sub-fund (if any). The fee is payable on the day the notification is filed with the AMF and on the 30th April of each subsequent year.

1. EEA UCITS Schemes

EEA-UCITS Schemes may be distributed by their EEA Management Company in Germany by using the Marketing Passport. The Marketing Passport permits distribution of EEA UCITS Schemes to professional, semi-professional and retail investors in Germany. Marketing of EEA UCITS Schemes by third party distributors is subject to license requirements applicable to the relevant distributor.

Notification of marketing

In order to obtain a Marketing Passport for an EEA UCITS Scheme, its management company must notify its HMSA which will notify the German Federal Financial Supervisory Authority (“**BaFin**”). The requirements for such notification are laid down in the national law which should be in accordance with Article 93 of the UCITS Directive.

BaFin verifies whether (i) the notification letter submitted by the HMSA is transmitted in accordance with the model set out in Annex I to Commission Regulation (EU) N° 584 / 2010, (ii) the HMSA has issued a certification that the relevant UCITS is an EEA UCITS Scheme, (iii) the investment rules or the articles of association of the EEA UCITS Schemes, the prospectus and the latest annual report as well as the biannual report have been submitted either in German or in a language customary in the sphere of international finance, and (iv) whether the KIID has been submitted in German. Unless BaFin and the HMSA have agreed that the notification letter and the UCITS certification may be provided in an official language of both Member States, they must be provided in a language customarily used in the sphere of international finance.

Marketing in Germany may commence as soon as the HMSA has informed the EEA Management Company that its notification has been transmitted to BaFin.

Requirements for marketing

Agents: The EEA Management Company must appoint an information agent within Germany from whom investors may obtain information and documents. In addition, where printed individual certificates are issued, a paying agent must also be appointed.

German supplement: The prospectus must contain a page-numbered information section for investors in Germany that is an integral part of the prospectus and is listed in the table of contents. However, when enacting Law 4099 / 2012, the Greek legislature added a provision (Article 92) which is not included in the UCITS Directive. Article 92 provides, inter alia, that any undertaking for collective investments that is seated in a Non-EU member state needs to be licensed by the Hellenic Capital Market Commission (“**HCMC**”) before making offerings in Greece.

Notification

Any UCITS authorised in another EU member-state intending to market units / shares in Greece must be previously notified to the HCMC by the relevant HMSA. HMSAs must transmit the following documentation to the HCMC:

The HCMC will inform the HMSA within five business days whether the file is complete (in which case the UCITS may begin the marketing of its units / shares in Greece), or incomplete.

Functionaries

The EEA Management Company intending to market units / shares of an EEA UCITS Scheme in Greece must appoint a paying agent and a distributor that will be responsible for the marketing.

The paying agent is the intermediary responsible for providing the financial services of a UCITS (receiving the cash equivalent funds for subscriptions and making payments for redemptions, making coupon and dividend payments, dealing with any settlement differences arising when switching between compartments) and it should be a credit institution domiciled either in Greece or in another country with a branch located in Greece.

The distributor is the intermediary responsible for providing the marketing services of the UCITS (processing subscription and redemption forms to the paying agent, supplying mandatory information to unit-holders / investors, reporting to the HCMC the statistical data of the UCITS marketed in Greece) and it may be a credit institution, management company, insurance company or investment firm that is domiciled either in Greece or in another country with a branch located in Greece.

An EEA Management Company intending to market units / shares of an EEA UCITS Scheme may appoint more than one paying agent and / or distributor.

A UCITS may be advertised in Greece provided that it complies with applicable Greek Law provisions on financial promotions of UCITS (Article 79 of Law 4099 / 2012).

2. Fees

EEA UCITS Schemes marketed in Greece are subject to a set filing fee. The amount per compartment or per UCITS with no compartments is EUR 1,000, plus 2.4% stamp duty. The fee is payable on the day the notification application is filed with the HCMC. EEA UCITS Schemes which are marketed in Greece on 30th June each year are subject to a set annual fee.

The amount per compartment or per UCITS with no compartments is EUR 1,000, plus 2.4% stamp duty. The fee is payable in July each year.

The EEA Management Company of the EEA UCITS Scheme is responsible for paying the above-mentioned fees to the HCMC.

Hungary

1. EEA UCITS Schemes

EEA Management Companies may exercise passporting rights for the management and marketing of an EEA UCITS Scheme in Hungary. In order to do so, the requirements of Sections 57 and 58 of the Hungarian Act XVI of 2014 on Collective Investment Funds and their Managers (the “**Investment Funds Act**”) must be met.

An operator of an EEA UCITS Scheme which is recognised under Sections 57 and 58 of the Investment Funds Act is automatically an authorised person for the purposes of the Investment Funds Act with permission to carry on the regulated activities relating to the establishment, operation or winding up of an EEA UCITS Scheme.

Notification

An EEA Management Company seeking to passport is required to notify their HMSA if they intend on marketing an EEA UCITS Scheme in Hungary. The HMSA will provide their consent notice to the Hungarian regulator; the Central Bank of Hungary (Magyar Nemzeti Bank) (the “**MNB**”). The notification provided to the MNB must be accompanied by the necessary data in respect of the EEA UCITS Scheme to allow the MNB to monitor the EEA UCITS Scheme’s compliance with the MNB’s rules.

These rules relate to general prudential operations, conflicts of interest, investor complaint handling, segregation of client assets, undertaking a guarantee of invested capital or yield, outsourcing and risk management. Following the transmission of this notification from the HMSA to the MNB, the MNB will prepare to supervise the EEA UCITS Scheme within two months. The MNB will then issue its confirmation of recognition to the HMSA, and the EEA Management Company will be able to market the EEA UCITS Scheme in Hungary from

the point when its HMSA has notified it and sent it the MNB’s confirmation.

Distribution of fund units

The EEA Management Company is not required to seek additional permission, however, if the units of the EEA UCITS Scheme are to be distributed by someone other than the EEA Management Company, that person will require to be reported to the MNB (in case of a tied agent) or authorised (in case of an investment enterprise) for the purposes of the Investment Funds Act.

If the EEA Management Company involves a third party in the distribution of the units of the EEA UCITS Scheme, the EEA Management Company must send the distribution agreement to the MNB to enable the MNB to check the proper preparations for the distribution. Such distribution must comply with the provisions of the Investment Funds Act on commercial communications, information to be provided to investors, purchase and redemption of fund units and reporting.

2. Fees

The MNB does not charge a fee for the recognition of an EEA UCITS Scheme.

Following the transmission of this notification from the HMSA to the CBI, the CBI will issue its confirmation of recognition to the HMSA, from which point the EEA Management Company will be able to market the notified unit / share class(es) of the EEA UCITS Scheme in Ireland.

The notification provided to the CBI must state the name of the firm who will market the EEA UCITS Scheme in Ireland. The EEA Management Company is not required to seek any additional permission. However, if the EEA UCITS Scheme is to be marketed by someone other than the EEA Management Company, that person may be required to be authorised in Ireland.

An EEA Management Company proposing to market an EEA UCITS Scheme in Ireland is required to maintain facilities in Ireland for making payments to unit holders, repurchasing and redeeming units and enabling investors to obtain or inspect the documentation constituting the EEA UCITS Scheme. The CBI must be provided with a written confirmation from the entity providing these facilities that it has agreed to act for the EEA UCITS Scheme.

In addition, details of the facilities agent must be included in the notification provided to the CBI and the EEA UCITS Scheme’s prospectus must also disclose the name and address of the facilities agent as well as the relevant provisions of Irish tax law.

Marketing

When marketing an EEA UCITS Scheme which is recognised in Ireland for the purposes of Regulations, the CBI’s rules on marketing, which include the CBI’s rules on advertising standards, must be complied with. Furthermore, subject to certain conditions, non-EEA firms may market a UCITS fund in Ireland without the need to obtain a licence under the markets in financial instruments directive (“**MiFID**”). Advice should be sought on each case prior to marketing in Ireland.

2. Fees

There is presently no fee payable to the CBI or any other statutory body in Ireland for the initial recognition of an EEA Management Company or for EEA UCITS Scheme or periodically thereafter.

1. EEA UCITS Schemes

Overview

EEA Management Companies can passport the management and marketing of UCITS schemes in the Slovak Republic. Management companies, whether foreign or domestic are regulated by the Act No. 203 / 2011 Coll. on Collective Investment (“ACI”).

Notification

EEA Management Companies authorised in their EEA home State may exercise passport rights for its business activities in the Slovak Republic on a services and / or branch basis.

In both cases the EEA Management Company is required to notify its HMSA of the intention to passport its management and marketing rights. Subsequently, the HMSA delivers (i) the notification of an intention to distribute securities in the Slovak Republic, (ii) the relevant documentation, and (iii) a certificate issued by the regulator of the Management Company’s home state evidencing that the Management Company complies with the UCITS Directive, to the National Bank of Slovakia (“NBS”). The notification and certificate shall be submitted to the NBS in English, unless the NBS and the EEA Management Company’s HMSA agree to use another language. An EEA Management Company may begin to distribute its securities from Slovakia from the date it receives a confirmation from its HMSA stating that the notification was sent to the NBS.

An EEA Management Company, which has decided to perform its activities on the basis of freedom to provide services, can begin to passport UCITS once its HMSA has delivered the notice to the NBS.

For the purposes of the notification procedure, the NBS shall not be entitled to request any additional documents, certificates, or information.

The NBS currently does not require any other reporting.

Financial Promotion

An EEA Management Company seeking to passport the marketing of a UCITS scheme in Slovakia shall not use false or misleading information or conceal from investors information necessary for their decision making, including offering benefits, the availability of which cannot be proven or which are not in compliance with relevant provisions of the ACI. It cannot state false information on personal, technical and organisational conditions of the UCITS or the EEA Management Company.

2. Fees

EEA Management Companies passporting into the Slovak Republic are not required to pay any fees to the NBS in relation to the notification process.

However, an EEA Management Company shall pay an annual fee to the NBS for carrying on regulated activities. The annual fee is set by the NBS at the end of each calendar year for the following year.

The fee is calculated from the value of the assets of the EEA Management Company and varies from 0,0026% to 0,1% of the volume of its assets.

In the case that the NBS issues a decision against an EEA Management Company for not complying with the rules regarding the protection of consumers, the EEA Management Company is required to pay specific fees for each issued decision. These fees are equal to 1% of the annual fees.

The NBS also charges EEA Management Companies, as well as other regulated entities, for individual operations ordered.

Slovenia

1. EEA UCITS Schemes

The notification procedure for marketing of units of UCITS established in another Member State in Slovenia is regulated by the Investment Funds and Management Companies Act (*Zakon o investicijskih skladih in družbah za upravljanje*, Official Gazette of the Republic of Slovenia no. 31 / 15, 81 / 15 and 77 / 16, “ZISDU-3”) and Decision on the Terms and Conditions for Marketing of Investment Fund units (*Sklep o načinu in pogojih za trženje enot investicijskih skladov*, Official Gazette of the Republic of Slovenia no. 100 / 2015).

In December 2016 the ZISDU-3 was updated to incorporate provisions of the Directive 2014 / 91 / EU on UCITS. Therefore, no legislative changes regarding passporting are expected in near future.

The notification letter

In order to start marketing units of EEA UCITS Schemes in Slovenia, the EEA Management Company must make a formal notification by submitting the notification letter which must be prepared in accordance with the standard model (using the form of notification letter provided in Commission Regulation 584 / 2010 and submitted in electronic form).

Part A and C of the model notification letter contain no special provisions specific to Slovenia. Part B, however, requires the EEA Management Company to provide some additional information as specified in Guidance Notice on marketing of units of UCITS in Slovenia prepared by the Slovenian Securities Market Agency (Agencija za trg vrednostnih papirjev, “ATVP”).

All the documents attached to the notification letter can be submitted either in Slovenian or English except for the KIID, which must be translated into Slovene.

The EEA Management Company of a member state may begin with the marketing of UCITS units in Slovenia as of the date when the EEA Management Company is notified that the supervisory authority of the

management company’s Member State has submitted notification documentation to ATVP.

The EEA Management Company must inform the ATVP on any amendments to the documents provided in the original notification without undue delay. Amendment notices may be submitted in either Slovenian or English, except for the KIID, which must be translated into Slovenian.

Requirements for marketing

The EEA Management Company must appoint a paying agent in Slovenia.

To market an EEA UCITS Scheme in Slovenia, the EEA Management Company has to publish the issue and redemption prices of the units as well as other information regarding the EEA UCITS Scheme which are required to be published in the relevant home Member State in the daily newspaper(s) sold in Slovenia and other electronic media aimed at investors. Information must be published in Slovenian or English.

The EEA Management Company must prepare a prospectus for marketing to the public in the Republic of Slovenia in accordance with national law and must also comply with the client conduct rules and proper practice requirements, as well as disclosure requirements in the national legislation.

2. Fees

ATVP charges a fee for the notification procedure that amounts to EUR 210 per fund or compartment notified in the procedure. There is no fee for the notification of changes to previously notified funds. In addition, the EEA Management Company must pay an annual fee of EUR 840 per single UCITS, or a compartment of UCITS structured as an umbrella fund to the SMA for supervising compliance with the rules regarding marketing and sale of units of UCITS in the Republic of Slovenia. The fee is payable in one single amount for any given year.

Spain

1. EEA UCITS Schemes

The UCITS Directive is transposed into Spanish law by means of Law 35 / 2003 of 4th November, on CIS (“**CIS Law**”) and developed by Royal Decree 1082 / 2012, of 13th July, approving the regulation of the CIS (“**CIS Regulation**”).

According to the CIS Law, EEA Management Companies may exercise passporting rights for the management and marketing of an EEA UCITS Scheme in Spain on a services and / or branch basis.

Notification

If an EEA Management Company wishes to manage and market an EEA UCITS Scheme to retail / professional investors located in Spain, a passporting process must be carried out. It is important to highlight that there is no private placement regime for EEA UCITS Schemes under CIS Law.

The passporting process is underlined by CIS Law, CIS Regulation and namely in Circular 2 / 2011, of the Spanish securities market commission (Comisión Nacional del Mercado de Valores, “**CNMV**”) on foreign collective investment schemes registered at the CNMV.

The process will involve the HMSA sending the prescribed management passport notification to the CNMV on behalf of the EEA Management Company.

The EEA Management Company will have to send the following documents to accompany the notification;

- EEA UCITS Scheme’s rules or instrument of incorporation;
- the prospectus;
- KIID (translated into Spanish); and

- any annual reports or biannual accounts, where applicable.

In particular, Part B of the notification shall include certain specific information set out in Circular 2 / 2011 of the CNMV, on foreign collective investment schemes registered at the CNMV.

Once the notification is reviewed, the CNMV will issue its confirmation of recognition to the HMSA, from which point the EEA Management Company will be able to market the EEA UCITS Scheme in Spain. No additional permissions are required.

An EEA Management Company proposing to market an EEA UCITS Scheme in Spain is obliged to treat Spanish investors under the same terms and conditions as home Member State investors and shall be required to maintain facilities in Spain to enable investors to obtain or inspect the documentation constituting the EEA UCITS Scheme. Details of these facilities must be included in the notification provided to the CNMV. The EEA UCITS Scheme’s prospectus must also disclose the address of such facilities.

Finally, it is important to note that the EEA UCITS Scheme must comply with all laws, regulations and administrative provisions in force in Spain which do not fall within the scope of the UCITS Directive.

2. Fees*

The CNMV does not charge an application fee for outward or inward EEA UCITS Scheme passport notifications. However, upon registration, EEA UCITS Schemes will have to pay a lump sum of EUR 1,000 and from the registration onwards, an annual flat fee for each of EUR 2,500 regardless of the expected commercialisation volume.

*Please note that these fees depend on The General Government Budgets. Elections are taking place in November and these fees may change.

Sweden

1. EEA UCITS Schemes

EEA Management Companies may passport their authorisation into Sweden. An EEA UCITS Scheme can market shares or sub-funds in Sweden after a notification has been made. EEA UCITS Schemes and their EEA Management Companies are governed by the Swedish UCITS Act (*Swe: Lagen 2004:46 om värdepappersfonder*) and regulations issued by the Swedish Financial Supervisory Authority (“**SFSA**”).

2. Marketing of a UCITS fund in Sweden

An EEA UCITS Scheme with relevant authorisation in its home Member State, which intends to market shares or sub funds in Sweden, must inform the HMSA of its intention. The HMSA usually issues the relevant forms to the SFSA for notification. The notification must be accompanied by the EEA UCITS Scheme rules or instrument of incorporation, the prospectus, KIID (in Swedish), and an annual report, or biannual report (if applicable). The EEA UCITS Scheme must also take necessary measures to enable it to do the following in Sweden:

- make payments to unit holders;
- redeem units; and
- provide any and all information required of the undertaking pursuant to regulations applicable in its home state.

The HMSA thereafter submits the notification to the SFSA.

The SFSA must be informed prior to any change of the original application or of the accompanying documents.

3. Handling times

The EEA Management Company may start marketing the EEA UCITS Scheme in Sweden as soon as the HMSA has informed the EEA Management Company that a notification has been sent to the SFSA.

4. Fees

There are no fees for marketing of an EEA UCITS Scheme charged by the SFSA.

Switzerland

1. Distribution of EEA UCITS Schemes

Switzerland is not a Member State of the EU and thus is not subject to the UCITS Directive and its respective rules. As a matter of principle, any foreign fund, including EEA UCITS Schemes and others (together collective investment schemes, “CIS”), may be sold or “distributed” (the legal term currently used) in Switzerland, provided the respective distribution rules are complied with. The law provides for three different distribution (selling) options, namely:

- Distribution to the public may only occur (amongst other requirements) if the foreign CIS is registered for passporting with the Swiss Financial Market Supervisory Authority (“FINMA”) and if the respective distribution rules are complied with.
- Without passporting (without FINMA registration), foreign CIS may be distributed to qualified investors as defined by Swiss law, only if, among other requirements, the fund or the investment fund manager has appointed a Swiss representative and a Swiss paying agent and if the respective distribution rules are complied with.
- Without passporting and without such appointments, foreign CIS may only be distributed to prudentially supervised financial intermediaries, as defined by Swiss law.

2. Passporting

Again, as a matter of principle, any foreign CIS may be passported into Switzerland (by way of registration with FINMA). However, Swiss law requires for the passporting of foreign CIS, among other requirements, that:

- such CIS is domiciled in a jurisdiction, which provides for the following:
 - Adequate supervision of the CIS, the asset manager and the custodian;

- A regulatory framework which requires sufficient organisation of the CIS, the asset manager and the custodian;
- Adequate investor protection, comparable to the framework applicable to Swiss CIS in Switzerland; and
- A bilateral agreement on exchange of information between FINMA and the supervisory authority at the domicile of the CIS, the CIS manager and the custodian;

(Note: EEA UCITS schemes usually meet this test)

- the CIS appoints a representative and a paying agent in Switzerland; and
- the designation of the CIS is not misleading or deceptive.

In addition, distribution other than to prudentially supervised financial intermediaries requires that any distributor is either a FINMA licensed fund distributor (or exempt from applying for a license) or adequately supervised by a foreign regulator and enters into a written distribution agreement with the Swiss representative.

3. Fees

FINMA charges a registration (passporting) fee of between CHF 2,000 and CHF 20,000 and in addition a periodic fee of CHF 1,500 (plus CHF 700 for each sub-fund) per annum and fees for each required filing. Such fees will not apply if distribution is limited to qualified investors and / or prudentially supervised financial intermediaries which requires no passporting.

In addition, the Swiss representative and the Swiss paying agent will charge fees, which are subject to negotiation. Possible discounts are available depending on the number of CIS serviced by the representative and paying agent for one manager.

4. Future Amendments

The Swiss financial market legal landscape will change with the entry into force of the Financial Services Act (“**FinSA**”) and the Financial Institutions Act (“**FinIA**”). The new laws are expected to enter into force as soon as on 1st January 2020, there being, however, various transitory provisions. The definitive ordinances as well as the regulations of FINMA which detail the new laws are still not available. Thus, there is still uncertainty as to the new legal position.

In any case, the new laws will also bring about changes with respect to the passporting of foreign CIS into Switzerland, albeit not fundamental. In particular, distributors of foreign CIS may, under certain circumstances, presumably deploy their activity in Switzerland only if they are entered into a register of advisers (whereas the FINMA license for fund distributors will be abolished). Also, the current term “distribution” will be abolished and replaced by the terms “offer” and “provision of financial services” which entails some changes as to when the Swiss rules will be triggered.

This guide will be updated once the new legal position is clear.

United Kingdom

1. EEA UCITS Schemes

EEA Management Companies may exercise passporting rights for the management and marketing of an EEA UCITS Scheme in the UK. In order to do so, the requirements of Section 264 of the Financial Services and Markets Act 2000 (“**FSMA**”) must be met.

An operator of an EEA UCITS Scheme, which is recognised under Section 264 of FSMA, is automatically an authorised person for the purposes of FSMA with permission to carry on the regulated activity of establishing, operating or winding up a collective investment scheme and any activity in connection with, or for the purposes of, the EEA UCITS Scheme.

Notification

An EEA Management Company seeking to passport is required to notify their HMSA if they intend on marketing an EEA UCITS Scheme in the UK. The HMSA will provide their consent notice to the relevant UK regulator; the Financial Conduct Authority (the “**FCA**”).

The notification provided to the FCA must be accompanied by the EEA UCITS Scheme’s rules or instrument of incorporation, prospectus, KIID and any annual reports or biannual accounts where applicable. Following the transmission of this notification from the HMSA to the FCA, the FCA will issue its confirmation of recognition to the HMSA, from which point the EEA Management Company will be able to market the EEA UCITS Scheme in the UK.

The notification provided to the FCA is required to state the name of the firm who will market the EEA UCITS Scheme UK. The EEA Management Company is not required to seek additional permission, however, if the EEA UCITS Scheme is to be marketed by someone other than the EEA Management Company, that person will be required to be authorised for the purposes of FSMA.

An EEA Management Company proposing to market an EEA UCITS Scheme in the UK is required to maintain facilities in the UK to enable investors to obtain or inspect the documentation constituting the EEA UCITS Scheme. Details of these facilities must be included in the notification provided to the FCA. The EEA UCITS Scheme’s prospectus must also disclose the address of such facilities.

Financial Promotion

When marketing an EEA UCITS Scheme which is recognised for the purposes of FSMA in the UK, the FCA’s rules on financial promotions must be complied with. UK advice should be sought in relation to compliance with these rules.

2. Fees

The FCA charges a fee for recognition of an EEA Scheme, this is currently GBP 600. The fee is payable on the submission of the notification to the FCA. The fee is only payable in respect of the initial recognition of the EEA UCITS Scheme and is not required for the recognition of any subsequent sub-funds. In addition, periodic fees will be payable to the FCA based upon the number of funds under management, and the number of funds or sub-funds which a firm is operating and marketing into the UK. The applicable fees from time to time are set out in the FCA’s rulebook.

This section will be updated once details of the terms upon which the United Kingdom will leave the European Union become known.
