CMS Serbia opens a State Aid Help Desk

NEWS · 31 MAR 2020

The Government of the Republic of Serbia has created a package of economic measures aimed at helping businesses in their fight against financial consequences of the COVID-19 outbreak. Wishing to support the business community in this challenging period, we have created a Help Desk where companies will have the opportunity to inquire about available governmental measures.

If your company has been financially affected by the pandemic and needs state aid to deal with the consequences, our Help Desk can provide you with information on available types of aid and preliminary advice on the treatment of specific governmental measures under the Serbian Law on State Aid Control.

How can you contact the Help Desk?

- Send your query to **stateaidserbia@cms-rrh.com** (in Serbian or English), and
- include information on your business, how you are affected by the COVID-19 and the governmental measure/aid you want to know about.

We will aim to respond as soon as possible.
