Explanation

Columns A through AJ contain general information regarding subscriptions running in 2014.

In respect of the columns AK, AL and AM some more explanation is provided by means of the following example:

If you have a subscription on a journal or a book you may have received one invoice for the subscription period (invoice relating to 12 months). The corresponding amount to be paid to the publisher by Swets Information Services B.V. regarding this specific journal or book may have been split in two invoices of the publisher to Swets Information Services B.V. For example, in respect of annual subscriptions Swets Information Services B.V. received two invoices of the relevant publisher (each invoice relating to 6 months). As a result it may be that your subscription period has not yet been completely paid to the publisher by Swets Information Services B.V.

Column AK provides information regarding the date until Swets Information Services B.V. has made payments to the relevant publisher, e.g. if the last invoice of a publisher which actually has been paid by Swets Information Services B.V. relates to the period 1 January 2014 – 30 June 2014, the date of 30 June 2014 is included in that column. In columns AL and AM the relevant reference details of that specific invoice have been included.

To avoid misunderstandings, Column AK does not include information regarding the last invoice send by the publisher to Swets Information Services B.V. Any outstanding invoices of publishers against Swets Information Services B.V. are not specifically included in the overview. The overview solely provides information regarding invoices which actually have been paid by Swets Information Services B.V. to the relevant publishers.

Please note that the information referred to above is only available regarding the subscription period 2014/2015. Information in respect of previous subscription and invoice periods is not available. If no information is included in Columns AK, AL and AM no invoices may have been send by the relevant publishers to Swets Information Services B.V. (e.g. because no new editions have been published) or no invoices have been paid by Swets Information Services B.V. to the relevant publishers.

For your information, an example of the information which will be provided by means of an Excel file is attached to this notice as Annex 1. Please note that only the information as mentioned above and in Annex 1 is available and it is not possible to provide any other or additional information.
